Taiwanese Association of Pediatric Surgeons

The Taiwanese Association of Pediatric Surgeons (TAPS), as detailed on our official website [www.taps.expert](http://www.taps.expert), is a professional organization dedicated to advancing the field of pediatric surgery in Taiwan. TAPS engages in a variety of activities, including hosting annual meetings, educational courses, and academic conferences to foster international research collaboration and share cutting-edge advancements in pediatric surgery. Additionally, the association provides resources and guidance for pediatric surgical training, certification standards, and maintains a list of accredited training hospitals. TAPS also offers a platform for its members to engage in continuous learning and professional development, including access to specialized medical libraries and databases for pediatric surgery.
